SECTION 2. ELECTION PROCEDURES

The election procedures will be as follows:

A. All candidates running for SGA offices must meet the following criteria:

1. Have and maintain a 2.4 or better cumulative grade point average. All Executive Committee candidates except the President must have and maintain a 2.75 or better cumulative grade point average throughout their elected term. SGA President Candidates must have and maintain a 3.00 or better cumulative grade point average throughout their elected term. The Board of Elections will verify each candidate's GPA through the Office of Student Life to ensure eligibility.
2. Attend an election workshop.
3. Give written consent of acceptance of nomination to the carrier of her petition. The written consent shall be stapled to the petition prior to the petition period. The carrier of the petition is responsible for ensuring that the entire petition process is free from influence. This includes, but is not limited to, attaching the written consent and ensuring that the signatures are obtained without the presence of the nominee or handling of the petition by the nominee.

B. In addition to the criteria in section I.A., all candidates for the Lead Advocate must have at least one year of Judicial Board, Honor Council or student advocate experience. Should the Lead Advocate position be left vacant, a special election will be held in which a candidate without one year's experience may run; if the position is still vacant the Honor Council and Judicial Board chairwomen will concur to appoint a Lead Advocate.

C. Upon receiving written consent of the nominee, the carrier is to obtain a petition anytime after 8 a.m. on Sunday in the Security Office. The carrier must return the petition by the sound of the Catholic Church bells at 5 p.m. on Monday with thirty Mary Baldwin student signatures to the file folder in the Security Office. Petition carriers may not be another candidate running for election on the same slate. Petition carriers may sign the petition which they are carrying. Students who sign candidates' petitions are not guaranteeing the candidate a vote, only recognizing that the candidate may run in the slate held during that week. All students may sign petitions for the following: Executive Committee, Honor Council, Judicial Board, Residence Hall Association,

Baldwin Program Board, Inter-Club Council, and the Student Advocates. For class officers, the members of each candidate's class can only sign petitions for their class.

- D. Posting by the candidates shall follow the Posting Policy guidelines as outlined in the handbook. Candidates may begin posting at 5 p.m. Monday to the sound of the Catholic Church bells. Candidates must remove any of their posted materials no later than one day after the results of the election have been announced. If a candidate is in a run-off election, she may keep her materials posted no later than one day after the results from the run-off election are announced. Posting includes anything advocating the candidacy of an individual including, but not limited to, stuffing mail boxes and wearing buttons.
- E. For the initial round of elections a "Meet the Candidates" program will be held at Senate, a Tuesday, to give the student bodies an opportunity to meet and question the candidates of each slate. All candidates running for an office are required to participate. Those who do not will be allowed to run at the discretion of the co-chairwomen of the Elections Board. Candidates are recommended to turn in 36 copies of their campaign flyer to post during Meet the Candidates. Speeches will be made by candidates for Executive Committee offices and class presidents only. Current Executive Committee members will ask the candidates for their respective offices questions pertaining to their position. Current class presidents will follow the same procedure. Candidates for Judicial Board, Honor Council, and Student Advocates will have the opportunity to introduce themselves and give a brief one or two sentence stance only. They will also answer questions asked by the current and/or incoming chairwoman of their respective boards.
- F. Voting will take place from 8am to 7pm on the fourth day of the period, a Thursday. Voting privileges are extended to every member of the Mary Baldwin College Student Association for the present academic year; therefore, seniors maintain the privilege to vote in each applicable race. All students may vote for: Executive Committee (EC), Honor Council, Judicial Board, Residence Hall Association (RHA), Baldwin Program Board (BPB), Inter-Club Council, and the Student Advocates. Class officers can only be elected by members of their class.
- G. The VOTENET computer program is responsible for tabulating ballots. The candidate with the majority vote, half the number of votes cast plus one will be the winner. To insure the majority vote in all elections, there will be category A vote for the candidate, category B for no vote. In the case of the Honor Council and Judicial Board at-large members, or Student Advocates, the candidate with a plurality, the most votes cast, will be the winner. If there is no majority winner for any Executive Committee candidate, a new slate for election will be held after the conclusion of the third slate.
- H. The results will be emailed out by 8:00 p.m. on Thursday. Elections results may be delayed if the Board of Elections feels like there is a discrepancy in the voting procedures.
- I. Run-offs will be handled at the discretion of the Board of Elections.
- J. The Board of Elections, Executive Committee and members of the designated organization will make a decision about whether a special election will be held during Spring elections. When unusual vacancies outside of the Executive Committee occur, a special election to fill the office(s) will be held under the above procedures Section 1.
